WOMEN SHOULD BE PROTECTED

Against So Many Surgical Operations. How Mrs. Bethune and Mrs. Moore Escaped.

Sikeston, Mo .- "For seven years I suffered everything. I was in bed for four

Portland, Or. Rapid City

or five days at a time every month, and so weak I could hardly walk. I cramped and had backache and headache, and was so nervous and weak that I dreaded to see anyone or have anyone move in the room. The doctors gave me medicine to ease me

at those times, and said that I ought to have an operation. I would not listen to that, and when a friend of my husband told him about Lydia E. Pinkham's Vegetable Compound and what it had done for his wife, I was willing to take it. Now I look the picture of health and feel like it, too. I can do my own housework, hoe my garden, and milk a cow. I can entertain company and enjoy them. I can visit when I choose, and walk as far as any ordinary woman, any day in the month. I wish I could talk to every suffering woman and girl."-Mrs. DEMA

BETHUNE, Sikeston, Mo. Murrayville, Ill .- "I have taken Lydia E. Pinkham's Vegetable Compound for a very bad case of female trouble and it made me a well woman. health was all broken down, the doctors said I must have an operation, and I was ready to go to the hospital, but dreaded it so that I began taking your Compound. I got along so well that I gave up the doctors and was saved from the operation."-Mrs. CHARLES MOORE, R. R. No. 3, Murrayville, Ill.
